The verdict is in: These attorneys are among the most skilled, experienced and respected in the Greater Philadelphia Area

**W**hether it's to amend a tax situation or recover from an injurious accident, to mediate divorce proceedings or administer a loved one's estate, the act of navigating the complex U.S. legal system can be among the most stressful situations in a person's life. That's why it's imperative to have a skilled, experienced and respected attorney who "knows the ropes"—one who can help interpret the law effectively and lead a client toward the best possible result.

We're happy to help. We asked readers to tell us who they call in times of need, legally speaking, for representation, guidance or even just the reassurance that everything is going to be all right. Our readers did not disappoint, as hundreds of them visited our websites, *SuburbanLifeMagazine.com* and *PhiladelphiaLifeMag.com*, and cast their votes, to help us assemble a comprehensive list of the area's top-flight legal eagles.

From animal law to zoning law, from the suburbs to the heart of Center City, the men and women listed as our 2015 Top Attorneys stand ready, willing and able to fight for the rights of their clients.
